OUR STORY

About Us

- Good Dried is a family-owned business with over 30 years of experience in the Indian agricultural and spice trade.
- Our journey began with **Kishore Agro Traders**, our family business, where we built strong relationships with farmers, suppliers and buyers across India.
- After completing my MBA and working as a S C Analyst in New Jersey, USA, I saw an opportunity to take the experience and network our family had built over three decades to global markets.
- Today, we are building on our family's experience with a focus on quality Indian spices and agricultural products for international buyers.

**30+**

It was an honour to be featured on FIEO's Voice of Exports, presented by the Federation of Indian Export Organisations (FIEO), under the Ministry of Commerce & Industry, Government of India.

We're truly grateful to FIEO for believing in our journey and giving us the opportunity to share our work in Indian exports.
